You are also requested to approve a final dividend of 6.75p per ordinary share for the year. The Board has decided that each of the Directors will stand for re-election at the AGM on an annual basis. The biographies of all the Directors are set out on page 37 of the Annual Report.

The Company's existing authorities expire on 13 July 2012, and shareholders are being asked to renew them. Please see the Explanatory notes on page 5 for further details.

Authority for the Company to purchase its own shares (Resolution 14)

We are again requesting shareholders to renew our authority to make market purchases of our own shares. Details are set out in the Explanatory notes on page 5 of this circular.

General Meetings (Resolution 15)

It is a requirement that all general meetings must be held on 21 days' notice unless shareholders agree to a shorter notice period. We are again proposing a resolution at the AGM so that, if necessary, we can continue to call meetings (other than annual general meetings) on a minimum of 14 clear days' notice.

Explanatory notes on the special business to be considered at this year's AGM appear on page 5 of this circular.

The Directors consider that all the resolutions to be put to the AGM are in the best interests of the Company and its shareholders as a whole. Your Board intends to vote in favour of them and unanimously recommends that you do so as well.

Yours sincerely,

Renewal of Directors' authority to disapply pre-emption rights

- That subject to the passing of Resolution 12 above, the Directors be empowered to allot equity securities (as defined in Section 560(1) of the 2006 Act) wholly for cash pursuant to the authority given by Resolution 12 above or where the allotment constitutes an allotment of equity securities by virtue of Section 560(3) of the 2006 Act in each case:

- in connection with a pre-emptive offer; and
- otherwise than in connection with a pre-emptive offer, up to an aggregate nominal amount of £2,184,859;

as if Section 561(1) of the 2006 Act did not apply to any such allotment; such power to expire at the end of the next Annual General Meeting or on 30 September 2013, whichever is the earlier but so that the Company may make offers and enter into agreements during this period which would, or might, require equity securities to be allotted after the power ends.

For the purposes of this Resolution:

- references to an allotment of equity securities shall include a sale of treasury shares; and

Renewal of Directors' authority for the purchase by the Company of its own shares

- That the Company be and is generally and unconditionally authorised for the purposes of Section 701 of the 2006 Act to make market purchases (within the meaning of Section 693 of the 2006 Act) of ordinary shares of 10p each in the Company (ordinary shares) provided that:
 - the maximum number of ordinary shares hereby authorised to be purchased is 43,697,000;
 - the minimum price which may be paid for each ordinary share is 10p;
 - the maximum price which may be paid for an ordinary share is an amount equal to the higher of (i) 105% of the average of the closing price of the Company's ordinary shares taken from the London Stock Exchange Daily Official List for the five business days immediately preceding the day on which such ordinary share is contracted to be purchased or (ii) the higher of the price of the last independent trade and the highest current bid as stipulated by Article 5(1) of Commission Regulation (EC) 22 December 2003 implementing the Market Abuse Directive as regards exemptions for buyback programmes and stabilisation of financial instruments (No 2273/2003);
 - the authority hereby conferred shall expire at the conclusion of the next AGM of the Company or on 30 September 2013, whichever is earlier, unless such authority is renewed prior to such a time; and
 - the Company may make a contract to purchase ordinary shares under the authority hereby conferred prior to the expiry of such authority which will or may be executed wholly or partly after the expiry of such authority, and may make a purchase of ordinary shares in pursuance of such contract.

Notice period for general meetings

- To resolve that a general meeting other than an AGM may be called on not less than 14 clear days' notice.

The Directors consider that the passing of each of the resolutions proposed at the AGM is in the best interests of the Company and its shareholders as a whole and recommend all shareholders to vote in favour of all the resolutions, as the Directors intend to do in respect of their own beneficial holdings.

Notes

- (i) A member entitled to attend and vote at the AGM is entitled to appoint one or more proxies to attend, speak and vote instead of him/her provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a member of the Company. Appointment of a proxy will not preclude a member from attending or voting at the AGM if he/she subsequently wishes to do so.
- (ii) Pursuant to Regulation 41 of the Uncertificated Securities Regulations 2001 and Section 360B(2) of the 2006 Act, the Company has specified that only those shareholders registered in the Register of Members of the Company as at 6.00 pm on 11th July 2012 will be entitled to attend or vote at the AGM in respect of the number of shares registered in their name at that time. Changes to entries on the Register of Members after 6.00 pm on 11th July 2012 will be disregarded in determining the rights of any person to attend or vote at the AGM.
- (iii) A form of proxy is enclosed. To be effective a proxy form and the authority (if any) under which it is signed or a notarially certified copy of such authority must be deposited at the offices of the Company's registrars, Equiniti, Aspect House, Spencer Road, Lancing, West Sussex, BN99 6DA by not later than 12.00 noon on Wednesday 11 July 2012.
- (iv) CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 13 July 2012 and any adjournment(s) thereof by using the procedures described in the CREST Manual. - In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy, the revocation of a proxy or to an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in note (iii) above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.
- CREST members and, where applicable, their CREST sponsors or voting service providers should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. - (vi) Shareholders should note that, under section 527 of the 2006 Act, shareholders meeting the threshold requirements in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM.; or (ii) any circumstance connected with an auditor of the Company appointed for the financial year ceasing to hold office since the previous AGM at which annual accounts and reports were laid. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 (requirements as to website availability) of the 2006 Act. Where the Company is required to place a statement on a website under section 527 of the 2006 Act, it must forward the statement to the Company's auditors not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM for the relevant financial year includes any statement that the Company has been required under section 527 of the 2006 Act to publish on a website.
- (vii) Under sections 338 and 338A of the 2006 Act, shareholders meeting the threshold requirements in those sections have the right to require the Company: (i) to give to shareholders of the Company entitled to receive notice of the meeting, notice of a resolution which may properly be moved and is intended to be moved at the meeting; and/or (ii) to include in the business to be dealt with at the meeting any matter (other than a proposed resolution) which may be properly included in the business. A resolution may properly be moved or a matter may properly be included in the business unless (a) (in the case of a resolution only) it would, if passed, be ineffective (whether by reason of inconsistency with the Company's constitution or otherwise). (b) it is defamatory of any person, or (c) it is frivolous or vexatious. Such a request may be in hard copy form or in electronic form, must identify the resolution of which notice is to be given or the matter to be included in the business, must be authorised by the person or persons making it, must be received by the Company not later than 31 May 2012, being the date six clear weeks before the meeting, and (in the case of a matter to be included in the business only) must be accompanied by a statement setting out the grounds for the request.
- (viii) A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the AGM. In accordance with the provisions of the 2006 Act (as amended by the Companies (Shareholders' Rights) Regulations 2009), each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares. It is therefore no longer necessary to nominate a designated corporate representative.
- (ix) As at 24 May 2012, the latest practicable date prior to the printing of this Notice, the Company's total capital consisted of 436,973,711 Ordinary Shares with a total of 436,973,711 voting rights.

- (xiii) Pursuant to section 319A of the 2006 Act, the Company must cause to be answered at the AGM any question relating to the business being dealt with at the AGM which is put by a member attending the meeting, except in certain circumstances, including if it is undesirable in the interests of the Company or the good order of the meeting that the question be answered or if to do so would involve the disclosure of confidential information.
- (xiv) You may not use any electronic address provided either in this Notice of Meeting or any related documents (including the Form of Proxy) to communicate with the Company for any purposes other than those expressly stated.

Explanatory notes to the special business to be considered at the AGM

Resolution 12: Renewal of Directors' authority to allot shares

The purpose of Resolution 12 is to renew the Directors' power to allot shares.

The authority in Resolution 12 will allow the Directors to allot new shares and to grant rights to subscribe for, or convert other securities into, shares up to a nominal value of £4,369,700 which is equivalent to approximately ten per cent of the total issued ordinary share capital of the Company, exclusive of treasury shares, as at 24 May 2012.

At 24 May 2012, the Company did not hold any shares in treasury.

There are no present plans to allot new shares other than in connection with employee share and incentive plans. The Directors consider it desirable to have flexibility to respond to market developments and to enable allotments to take place to finance business opportunities as they arise.

If the Resolution is passed the authority will expire on the earlier of 30 September 2013 and the end of the AGM in 2013.

Resolution 13: Renewal of Directors' authority to disapply pre-emption rights

If the Directors wish to allot new shares and other equity securities, or sell treasury shares, for cash (other than in connection with an employee share scheme) company law requires that these shares are offered first to shareholders in proportion to their existing holdings.

The purpose of Resolution 13 is to authorise directors to allot new shares pursuant to the authority given by Resolution 12 or sell treasury shares, for cash (a) in connection with a pre-emptive offer or rights issue or (b) otherwise up to a nominal value of £2,184,859, equivalent to five per cent of the total issued ordinary share capital of the Company as at 24 May 2012, in each case without the shares first being offered to existing shareholders in proportion to their existing holdings.

The Board considers the authority in Resolution 13 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions.

The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles not to allot shares for cash on a non pre-emptive basis (other than pursuant to a rights issue or pre-emptive offer) in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three-year period without prior consultation with shareholders.

Resolution 14: Renewal of Directors' authority for the purchase by the Company of its own shares

At the 2011 AGM, shareholders gave the Company renewed authority to make market purchases of up to approximately 10% at that time of the Company's issued ordinary share capital. As at the date of this report, the Company has made no such purchases under this authority. Nevertheless, the Directors believe it advisable to seek renewal of this authority at each AGM.

This resolution is proposed as a special resolution and will authorise market purchases of up to 43,697,000 ordinary shares (being approximately 10% of the issued share capital as at 24 May 2012). The Directors will only exercise this authority when satisfied it is in the best interests of shareholders and that any purchase will have a beneficial impact on earnings per share, having first considered other investment opportunities open to the Company. As at 24 May 2012, a maximum of 7,000,000 shares would be required to satisfy all outstanding options to subscribe for equity shares and conditional awards of shares. This represents 1.6% of the issued share capital. If this resolution is passed and the full authority to buy back shares were used, then shares required for such purposes would represent 1.78% of the issued share capital.

Listed companies are permitted, subject to certain restrictions, to hold their own shares which they purchase in treasury for resale or transfer at a later date, rather than being obliged to cancel them. If the Company were to purchase any of its own shares pursuant to the authority referred to above, it would consider holding them as treasury stock, provided that the number does not at any time exceed 10% of the Company's issued share capital. This would provide the Company with additional flexibility in the management of its capital base. As at 24 May 2012, the Company held no ordinary shares in treasury.

Resolution 15: Resolution to permit Directors' to call a general meeting other than an AGM at not less than 14 days' notice

Under the 2006 Act, as amended, the notice period required for all general meetings of the Company is 21 days. Shareholders can, however, approve a shorter notice period for general meetings other than annual general meetings, which cannot be less than 14 clear days. Having passed a similar resolution last year, the Company is currently able to call general meetings (other than an AGM) on 14 clear days' notice and would like to preserve this ability. In order to be able to do so, shareholders must approve the renewal of this authority. Resolution 15 seeks such approval. The approval will be effective until the Company's next AGM, when it is intended that a similar resolution will be proposed. The shorter notice period would not be used as a matter of routine for such meetings, but only where the flexibility is merited by the business of the meeting and is thought to be to the advantage of shareholders as a whole. The Company will also need to meet the requirements for electronic voting under the Shareholders' Rights Directive in order to be able to call a general meeting on 14 clear days' notice.
